CAMPUS FORMULA PATHWAYS

Admission Readiness Checklist

A student guide to planning and verification

Tick each item after checking it. Requirements vary by course, institution, entry route, and admission session. Use official information for your own choices. This checklist is a planning aid, not a universal document requirement list.

Intended course _____ Institution _____
Entry route _____ Admission session _____

Before choosing or applying

☐ I can explain why my intended course interests me.

☐ I have compared my preferred institution with at least one alternative.

☐ I have checked the required O'level subjects, grades, and permitted sittings.

☐ I have checked the correct UTME subjects or the qualification required for my entry route.

☐ I have checked course-specific conditions and any published screening requirements.

☐ Where an aggregate formula applies, I have found the institution's published formula for the relevant session.

Before enrolling in another admission route

☐ I have checked who runs the programme and verified the provider through official channels.

☐ I have checked whether my intended university and course accept the qualification.

☐ I understand the relevant subjects, required grades or points, duration, and application steps.

☐ I have checked the full cost and practical commitments with my parent, guardian, or supporter.

☐ I understand that completing a qualification does not automatically secure admission.

My preparation

☐ I have a realistic study timetable and a list of topics needing attention.

☐ I practise questions, review errors, and return to weak topics.

☐ I have recorded my next three actions and the dates to complete them.

Continue on page 2 for documents, application checks, and official sources.

CAMPUS FORMULA PATHWAYS

Documents and Application Checks

Mark each item as Ready, To prepare, or Not applicable after checking the current official instructions. Keep originals safe and clear copies organised. Avoid sharing passwords, one-time codes, or sensitive records in public groups.

Records to check for your route

Personal details and identity records requested for the application.
Ready / To prepare / Not applicable

O'level results, or the official instructions for awaiting results where allowed.
Ready / To prepare / Not applicable

Relevant A'level, ND, NCE, or other qualification records if applying through Direct Entry.
Ready / To prepare / Not applicable

Registration records, result slips, or screening documents when issued and requested.
Ready / To prepare / Not applicable

Photographs and supporting documents in the format requested by the institution.
Ready / To prepare / Not applicable

Any required qualification verification or transcript process for your chosen route.
Ready / To prepare / Not applicable

Before and after submission

☐ My names and other personal details are consistent across the records I will use.

☐ I know the official application portal, deadline, and next step.

☐ I have reviewed my entries and retained the submission confirmation.

☐ I know where to check application or admission status and whom to contact for help.
