CAMPUS FORMULA PATHWAYS

Admission Readiness Session

Programme brief | Campus Formula Pathways

Session theme: Your Next Step — Understanding Your Admission Options

A free introductory session for SS3 students, secondary school leavers, and prospective UTME candidates. Delivered by Toluwani Abimbola, Team Lead, in up to 60 minutes.

Session outcomes

- Identify requirements to check for an intended course and institution.
- Recognise admission options that deserve further investigation.
- Identify preparation gaps and record three next actions.

Proposed session schedule

Duration	Segment
5 min	Welcome and student concerns
12 min	Course choices, subject combinations, and requirements
12 min	Admission routes and alternatives to investigate
8 min	Documents, planning, and common mistakes
8 min	Study strategies and Campus Formula CBT demonstration
5 min	My Admission Action Plan activity
10 min	Questions and closing

Delivery arrangements

Agree the date, audience size, venue, host coordinator, and equipment before confirmation. The session can use a projector where available; the core talk can also be delivered without one. Confirm any photography arrangements with the host.

Student material: a compact admission action worksheet. Follow-up: share agreed resources and collect brief student and host feedback. Digital resources are planned for the website.
